Scioto County, Ohio Summary

Scioto county had a population of 79,195 in 2000, and is expected to increase to 85,800 by 2015. From 98-99, net migration numbers revealed that more people moved out of the county than moved in. In 1999, the personal income per capita reached \$18,978, while the state of Ohio averaged \$27,171.

1997 poverty numbers show an overall rate of 21% for the county and 11% across Ohio for all persons.

In 1999 more persons were employed in the Health care and social assistance industry, the largest payroll came from the Health care and social assistance sector, and the Retail trade industry had the largest number of establishments.* In 1998 Scioto county had a net increase in the number of businesses started.

In 1997 crop cash receipts totaled \$8,649,000, while livestock cash receipts totaled \$8,526,000. In 1997 an average of 163 acres per farm combined for 630 farms across a total of 102,981 acres in farm use. In 1997 soybeans generated the largest amount of crop cash receipts while cattle produced the largest amount of livestock cash receipts.

More information is available at the Scioto county website, located at <http://www.ag.ohio-state.edu/~scio>

* This report contains data through 1997 because of the shift from SIC to NAICS. Summary is based on most recently available NAICS data. NAICS tables are available at <http://www.osuedc.org/profiles>
